Too BEAUTIFUL to be SICK

Letter From Pastor Chris

“Out of Zion, the perfection of beauty, God hath shined.” (Psalm 50:2)

Do you know that as a child of God, you're His pride, His joy and His glory? You're the glory of His Presence and the perfection, the epitome, of beauty! You are the most beautiful of all God's creation; and that's because you are the express image of your Heavenly Father!

When God gave us His Son, Jesus Christ, He gave us a perfect gift; and when you received the Lord Jesus as your Saviour and Lord, you became a joint heir with Him and a full partaker of His divine and perfect life. In Him you received everything you would ever need to live out His plan for your life and become the perfect expression of who He made you to be!

Going further, Hebrews 12:22 tells us more about what happened when you came into Christ: “But ye are come unto mount Sion, and unto the city of the living God, the heavenly Jerusalem ...” where “...

the inhabitant shall not say, I am sick...” (Isaiah 33:24).

God didn't only make you beautiful; He thoroughly furnished you with everything you need to excel, prosper and live in divine and perfect health everyday of your life!

Therefore sickness, poverty, frustration and defeat don't belong in your life. In essence, you're free to walk through the life without fear or anxiety; and of course, without sickness!

Therefore, start out this year with the knowledge that you're too beautiful to be blind, crippled or afflicted with any disease!

Make a firm decision to live through the year 2012 with this consciousness, such that you'll enjoy your inheritance and all the blessings God has given you in Christ Jesus. Let the life and beauty of God in you shine forth for all to see!

God bless you. ■

OUT NOW!

THE HEALING SCHOOL IN 2011

Lives Changed! Nations Blessed!

A little girl, paralyzed from birth, walks for the first time. A young man, healed of a chronic medical condition, is supported and re-integrated into society. An elderly woman, bedridden by sickness, receives healing right inside her home. A minister, desirous of fresh fire, is impacted with the anointing of the Holy Spirit. A young man, hopeless and suicidal, receives salvation and a new life.

The Healing School takes the saving and healing power of God to the nations, giving people from all over the world an opportunity to experience the unique blessing of life renewed through her diverse ministrations of God's Word and the anointing of the Holy Spirit.

Each year, the Healing School receives people of all ages, from all walks of life and from various nations around the world; and each person is uniquely ministered to by God's Spirit! The sick receive healing and are restored to health at the healing sessions; the anointing is imparted and the Gospel spread through its Group Visitation programme; and countless others are reached through its various media productions, missions outreaches and community service initiatives. This year was no different, but was certainly better!

Healing School Sessions

Armed with a mandate to impact the world with the healing power of God, the Healing School held three extraordinary sessions with the man of God, Pastor Chris in Johannesburg, South Africa and Lagos, Nigeria in the course of the year. These were certainly set times for those who attended; a time the Spirit of God healed and lifted the burdens of sickness that bound so many. More so, these sessions brought them God's Word that saved and guaranteed them a life of perpetual victory!

Great miracles were wrought by the Lord through the man of God, Pastor Chris Oyakhilome at the healing services, which had in attendance students from 91 nations of world namely; Albania, Algeria, Angola, Australia, Austria, Bahrain, Belgium, Benin Republic, Botswana, Brazil, Bulgaria, Burundi, Cameroon, Canada, Congo, Congo DRC, Czech Republic, Denmark, Egypt, El Salvador, Equatorial Guinea, Eritrea, Ethiopia, Fiji Island, Finland, France, Gabon, Germany, Ghana, Greece, Guatemala, Guyana, Honduras, Hungary, India, Indonesia, Iraq, Israel, Italy, Jordan, Kenya, Kosovo, Kuwait, Lebanon, Lesotho, Liberia, Libya, Malawi, Malaysia, Malta, Mexico, Moldova, Mozambique, Namibia, Nicaragua, Nigeria, North Ireland, Norway, Pakistan, Portugal, Qatar, Romania, Russia, Rwanda, Saudi Arabia, Senegal, Sierra Leone, Singapore, Solomon Islands, Somalia, South Africa,

South Ireland, Spain, Sri Lanka, Sudan, Swaziland, Sweden, Switzerland, Syria, Tanzania, Thailand, The Netherlands, Togo, Uganda, Ukraine, United Arab Emirates, United Kingdom, United States, Yemen, Zambia and Zimbabwe.

"My three year old daughter, Debbie, was diagnosed with recurrent seizures which she suffered for two and a half years. Her seizures were so severe that she couldn't go to school or any other public place because she'd suffer a violent seizure. At the July session of the Healing School, she got healed when the man of God, Pastor Chris, prayed for her. Now, she's healed, hale, hearty and goes to school! It's been five months since she was completely healed and she hasn't had any seizures at all! Praise God!" - Joseph Akuboh, Nigeria.

Group Visitation Programme

Ministers of the gospel from around the world who visited the Healing School, were not left out of these remarkable times with God's Spirit! During the Autumn and Spring sessions this year, the Healing School hosted several ministers of the gospel from different countries of the world; who came to experience firsthand, the healing and teaching ministry of the man of God, Pastor Chris. Several ministers attended this program as first time representatives from Algeria, Bahrain, Brazil, Bulgaria, El Salvador, Greece, Guatemala, Hungary, Iraq, Israel, Jordan, Lebanon, Malta, Mexico, Moldova, Nicaragua and Yemen!

Also present were ministers from Austria, Egypt, Ethiopia, Finland, France, Germany, India, Indonesia, North Ireland, Norway, Pakistan, Romania, Saudi Arabia, South Ireland, Sri Lanka, Sweden, Switzerland, Syria, United Arab Emirates, United Kingdom and United States of America.

Their visit to the Healing School was a rich and life-changing experience; their lives and ministries were positively transformed! Following this

awesome experience, many of these ministers returned to their countries, resolute to impact their world indelibly for the Lord Jesus Christ.

"The most remarkable impact of my visit to the Healing School began when I returned to Romania. I am neither a pastor nor a preacher; but I observed that most times as I share the Word of God with people or at other times while just having simple conversations with them, they either just fall under the anointing or tell me that they can feel an aura of a divine presence around them. It's just amazing!" Tudor Petan, President, Alfa and Omega TV, Romania

Television and Internet

The Healing School is at the forefront of utilizing the opportunities opened up for the spread of the Gospel through satellite technology. Media broadcasts of our signature television programme "Enter the Healing School with Pastor Chris" took the healing and saving power of God beyond the walls the Healing School and right into homes of millions in Europe, Middle East, Australia, North and South America, Asia and the Pacific Islands.!

The programme, which chronicles testimonials of God's miraculous power at the Healing School, is broadcast on terrestrial and satellite television stations all over the world; as well as on the Internet with over 1.5 million hits spanning all five continents of the world.

This year, three new inspiring programmes, 'Healing to the Nations', 'Healing from Heaven' and 'Healing School Live' were added to our bouquet to further enrich our viewers worldwide. *"I am truly blessed by the*

programmes and indeed, see the blessings of God working in my life, my family, finances, business and every other area of my life! - Marsha Sandy-Holmes, USA

With additional websites in French and Spanish, as well as daily confessions to start each day on the right note, we had more amazing testimonies from viewers of our programmes and visitors to our websites this year! *"Every time I listen to the Healing School daily audio confessions, I feel the Holy Spirit and the anointing fill my whole house! I also reject sickness, poverty and death in Jesus Name. Amen!"* - Charles Eyombo, Ireland.

These testimonies of healing and salvation in their lives and in the lives of their loved ones happened as they relived the atmosphere of miracles at the Healing School in their homes!

Proclaiming the Gospel!

This year, hundreds of thousands of resources, including magazines, mini-books, DVDs and CDs of special miracles were distributed worldwide. Worthy of note was the translation of the mini-books, "Faith's Proclamations of Health and Healing" and "Counter Attack" into Afrikaans, Dutch, French, German, Hindi, Zulu, Hausa, Igbo and Yoruba languages, and their free distribution to students during the year's sessions. *"I'm very excited to have this book in German. It's much easier for me to understand."* - Martin Burger, Germany.

Other mini-books translated and distributed were "Now that You are Born Again" and "How to Keep Your Healing" This aided in teaching more people and helped them to assimilate God's Word in their native languages. *"I'm so happy that the problem I had was healed by God through Pastor Chris. I'm so happy now that my strength is becoming increased day by day through the booklets I received from the Healing School. What I have written here can hardly express how much these books helped me!"* - Helga Nkomo, South Africa.

The Healing School monthly magazine and its counterpart, the quarterly magazine for children, were distributed worldwide to homes, schools and hospitals. The international version of the monthly edition was translated into 18 languages including Afrikaans, Arabic, Dutch, Finnish, French, German, Hindi, Malay, Polish, Portuguese, Romanian, Russian, Setswana, Sinhala, Spanish, Tamil, Xhosa and Zulu. These translations are available on the Healing School website.

Abundant Grace

The Abundant Grace Scheme of the Healing School is dedicated to improve the lives of past students of the Healing School, whose lives retrogressed as a result of the medical conditions they suffered.

A primary initiative of the Abundant Grace is the Academic Scholarship Project. Presently, we have several beneficiaries of this initiative, amongst whom is Lillian Kgarose, an ex-student of the Healing School, who came to the Healing School with a diagnosis of HIV infection. Today, she is completely healed and is able to get an education in her chosen career path,

thanks to partners of the Healing School.

us a part of this programme!" Joy, Christ Embassy Kaduna.

The Health Promotion and Safety Scheme is another initiative that kicked off this year. The scheme is aimed at helping schools and organizations to implement health education projects which ensure the well-being of every child. We teamed up with professionals in various health and medical vocations to reach as many children as we can.

Another offshoot of this scheme, the Child Safety Awareness Campaign, began in the month of August 2011. This is a health enlightenment project targeted at children, their parents and their caregivers. Training sessions on first aid and responses to emergency situations are animated and exciting for kids to enjoy.

The campaign trail started from Christ Embassy Zones 5, 4, 3 and the Teen Summer Camp, all in Lagos. Then it went around to Christ Embassy Churches in Kaduna, Warri, Port Harcourt, Aba and Onitsha. In the three months since its commencement, we've trained over 3,000 children, parents and care givers!

"The programme was wonderful. We were taught a lot on how to keep our home safe. We even had practical demonstrations on first aid and CPR! We thank Pastor Chris and the Healing School for making

Missions

In this year of glorious achievements, the Healing School Missions Team undertook missionary journeys to South America and the Arab world, with awesome testimonies of salvation and healing following!

Starting in the Middle East, the Missions Team went to Egypt, Jordan, Syria and Lebanon; and then to Argentina, Brazil, Chile and Uruguay in South America.

At each country visited, the Missions Team organized and held Church services, healing meetings, hospital visits, street evangelism and free distribution of our ministry materials.

At these meetings and during the street evangelism, people received the Lord Jesus as their Lord and Saviour, received the Holy Spirit and also received healing in their bodies!

Ministry materials distributed include the Special Miracle DVDs, Healing to the Nations DVDs, Healing School Magazines, Healing School Magazine for Children, Healing from Heaven Volumes 1 and 2, as well as Rhapsody of Realities in English, Arabic, Portuguese and Spanish languages and other books by

Pastor Chris.

These mission trips were dynamic and inspirational. Their impact in these regions has brought forth heart-warming testimonies of salvation, healing and deliverance! Following these trips, thousands of people have come to know about the Healing School and many of the ministers look forward to attending the Group Visitation Programme in 2012!

Together with you, we made an eternal difference in our world in 2011, the year as a Burning and Shining Light! It was indeed a glorious year for us at the Healing School, and we anticipate an even more successful 2012!

Thank you, dear partners, for making salvation, healing and wholeness available to people who either attended or came into contact with the Healing School. We are confident that as we work together this year, we'll achieve even greater feats as we take the healing power of God to the ends of the earth.

God bless you! ✨

TESTIMONIES

I was once sick but I received healing through the man of God, Pastor Chris, at the Healing School. Sickness is no longer a part of me and I now minister healing to the sick! I partner with this unique ministry because through me, others are receiving the divine life in Jesus Christ!

Pastor Zain Kajee

I believe in the ministry of Pastor Chris. People from all over the world come to learn the Word of God and as they come, all aspects of their lives are changed through the ministry of the Word and the Spirit.

Deaconess Magda

No man can do the things that Pastor Chris does except God is with him and I know he's mightily anointed by God to do extraordinary things! When I saw sick people on the healing line, waiting to receive their miracles, I knew that God would do wonders in their lives because nothing is impossible to God!

Muchuweni Grace

I have been partnering with the Healing School since 2003, and I thank God that since then, I haven't had any health problems but instead, I've been enjoying divine health. Pastor Chris says, "Don't look for your sickness! Look for your healing!" I've found healing through my partnership with the Healing School. My son has been a partner right from the womb and after he was born, he experienced health challenges but his partnership has remained the ransom for his life. I say immeasurable thanks to our man of God for giving me the opportunity to partner with the Healing School.

Also, through partnership, I have insured my mum's health; my brother and I partner on her behalf. Thank God for partnership! What will a man give in exchange for his soul? Partnership is the answer!

Olatokunbo Oshinowo
Nigeria

At the Healing School, I saw many people get healed and that inspired me to become a partner. I am advancing the Gospel of our Lord Jesus Christ through my partnership; therefore, sickness cannot get a hold of me!

Brother Yonas Berhane

The fact that miracles happen at the Healing School inspired me to attend one of the healing services. When the man of God ministered to people, I saw a crippled lady get healed and I thought to myself that God is alive, He's a miraculous God!

The miracles I saw impacted me spiritually and I was touched by just experiencing the power of the Holy Spirit as He touched people and healed them. Their miracles have proved that there is nothing impossible with God – it does not matter what the sickness may be. This experience shall serve as a strengthener to me if I go through difficult times, for I shall always know that God Almighty is with me. My life will never be the same again!

Geraldine Nyamatchisenga
Malawi

I attended one of the Healing School's services because I wanted to experience God impacting lives through healing by His Spirit. I felt inspired and encouraged by the confidence of

the people that received their miracles; I was excited to see lives being changed irrespective of the conditions.

The experience was awesome and inspiring, building up my faith. Being an eyewitness to those miracles made me decide to exercise my faith in order to change lives in my world!

Mgcini Absalom Ncube

Attending the healing service was an interesting experience for me! I've seen Pastor Chris minister healing to the sick on TV, but I wasn't sure that it was true. But my presence at the healing and seeing him lay his hands on the sick removed my doubts!

I believe that sickness and suffering are challenges to people and God has appointed His people to minister and heal people in the Name of Jesus. Pastor Chris and God together bring healing!

TESTIMONIES

I'm a product of the healing ministry of Pastor Chris Oyakhilome. I was diagnosed with a chronic health condition several years ago. But when the man of God ministered to me, I received instant healing in my body, and the symptoms I usually felt are gone! Since I received my healing at the Healing School, my life has not remained the same!

Thank you Pastor Chris and the Healing School team for teaching me to live the Word. Even my children now know what to do in the face of health challenges; we talk to any situation and recreate it for our own good. We now live the upward and forward life always. Thank God for Pastor Chris, the man sent to our generation!

Joyline Kufa
Zimbabwe

Thank God for the Healing School! My brother-in-law was sick and dying, so he attended the Healing School. While there, the man of God, Pastor Chris, ministered

to him. After he had received a touch from God, he was healed and made whole! Now he is a living testimony to the world – he's well and has a sound mind! Our entire family is now at peace. Also, we're now partners with the Healing School and things have been going well for us. Thank you partners, for making it happen. God bless you!

God is good! My wife has been healed of back problems! She couldn't walk well for two years, but after attending the Healing School in South Africa in September, she was totally healed and she's still healed! She's hasn't experienced any pain, discomfort or any negative effects since then! I know faith in God is what healed her and our faith has grown so much since then. Thank you Pastor Chris, for the healing my wife received through your ministry. Praise God!

Hannes Balzar

I give thanks to God and our Lord Jesus Christ for using the man of God, Pastor Chris, to spread His Word and work miracles in my life everyday! I attended the Healing School in Lagos, Nigeria and at that time, I was diagnosed to have fibroids; but today, I'm completely healed! I owe this miracle to the Word of God taught by Pastor Chris. Thank you Sir!

Mancho Ngwena

Witnessing your ministry in the Healing School was the most memorable and awesome time of my life! I am so excited that the anointing received has already started bearing fruit in our ministry and in the lives of our people here! Now we know what it means to put on the mind of Christ, and to take hold of that which Christ took hold for us: victorious living, success and abundance. This is all because of the revelation teaching of the man of God, and it is doing wonders in people's lives and in our ministry!

Pastor Daniel Barse
Jesus for All Nations Church, Mumbai, India

In March this year, I was privileged to participate in the Group Visits program at the Healing School in South Africa. On return to my country, our ministry held a five-day camp meeting, and it was the biggest camp meeting we have ever held with a record attendance of over 10,000! Many miracles and healing testimonies were also recorded at the program! We want to thank God for many miracles and great harvest of souls we recorded. Praise God!

Pastor Samuel Caba
River of Revival Church / Burning Bush Prayer Movement,

After visiting the Healing School, I began holding healing services in my church, where several healing testimonies have been

recorded! Many pastors with their leaders want to attend the Group Visits programme, as well as many others from different churches in Bahrain. In our church, now we start our services by praying in tongues. We also read Rhapsody of Realities devotional for the day and declare confessions of victory. We rejoice that we are seeing more and more people, including 12 year olds, being filled with the Holy Spirit! We will never be the same! Bahrain will never be the same!

Pastor Jose Jacob
Bahrain

I held a series of outreach programs in Nicaragua, Central America. During this missionary trip, we started a new branch of our ministry in Nicaragua! Most remarkable was the ease with which people just received the gift of the Holy Spirit during these meetings!

During one of our meetings, as we ministered the gift of the Holy Spirit to a group of teenagers, the entire congregation was filled with the Holy Ghost, making all of them burst out in other tongues and roll on the floor in worship and adoration to the Lord. Amazingly, since that meeting, the Pastor of that church testified that at every meeting, even the first time attendees receive the fullness of the Spirit and speak in other tongues!

My PARTNERSHIP & Me

My inspiration and motivation to partner with the Healing School, and to encourage others to do so, is born out of a deep sense of commitment to the vision in the heart of our man of God, Pastor Chris Oyakhilome.

The Healing School is indeed a place of life and also a testimony to the immense grace that is upon us as a ministry. What is most thrilling about the impact of the Healing School in the lives of people is the definiteness of the permanence of their healings, which is due to their exposure to the Word and the presence of God. My first experience at the Healing School created in me an unflinching and unquenchable desire to see more lives touched by the power of God that's manifestly present there. Therefore, my greatest desire for the Healing School is to see more and more people sign up to become partners and daily, I see the fulfillment of this dream.

Whenever we watch testimonies on the Healing School's flagship programme, "Enter the Healing School with Pastor Chris" during our Church services, we are stirred afresh each time and are confident of the efficacy of the power of God. Each partner has a personal testimony of his or her fellowship with the grace upon this unique arm of the ministry. They see it as a health insurance policy for them and their entire families. This has aroused in them a unique boldness to pray for the sick, to declare their own healing and walk in the consciousness that they are partakers of the anointing on the man of God, Pastor Chris.

Partners of the Healing School in Christ Embassy Port Harcourt have taken their partnership to a higher level by partnering on behalf of their born and unborn children, connecting them to that tremendous grace and purchasing for them a glorious future! Also, as a result of partnership with the Healing School, there have been amazing testimonies of supernatural prosperity and financial increase from partners in my Church. These partners have attained unimaginable and unexplainable heights in their fields of endeavour, through the lavish release of God's divine favour and grace upon their lives!

Partnering with the Healing School for us is a revelation and a calling, and through the Spirit of God, this inspiration is being sown in every heart here at Christ Embassy Port Harcourt. It's with joy therefore, that we look forward to a glorious 2012, with increased participation resulting in great expansion in the Kingdom of God. Hallelujah!

Pastor Joy Amenkhienan
CHRIST EMBASSY PORT HARCOURT, NIGERIA

My partnership with the Healing School in the last ten years has been such an awesome blessing to me! As a partner, I join forces with the man of God, Pastor Chris Oyakhilome, PhD and the Healing School by giving financially and praying for every session of the Healing School. My devotion and commitment to this healing ministry stems from the realization that the seeds I sow bring healing to people. I'm also positioned rightly to take full advantage of the grace of God that is at work in our man of God, and the ministry as a whole.

Through my partnership, I've witnessed several lives changed and many hopeless situations transformed at the Healing School. Individuals from diverse backgrounds come from all over the world to the Healing School with various infirmities, most of which are beyond medical science; and there, they receive their healing! And through the years, the testimonies have remained the same; all of these people get healed as they act their faith on the Word, and as they receive the power of God transmitted to them through our man of God!

Being a partner with the Healing School has been a great blessing to me, my family, brethren and the work God has committed to me here in Ghana. For me, this healing ministry is more like a 'Kingdom Health Insurance Scheme'! I always enjoy perfect health of body and mind, without any signs of sickness or pain!

I also testify that the work of God committed to my trust in Ghana has been tremendously boosted as a result of my constant partnership with the Healing School. The brethren in Ghana have also found the key to staying sickness-free; they partner with the Healing School! In addition, I've witnessed tremendous healings and extraordinary testimonies in all our services, especially in our Night of Bliss and Super Sunday services, where countless sick, impotent and diseased people have been healed by the power of God! Glory to God!

Due to the impact of my partnership in my life, family, brethren, and most especially, at the Healing School, I'm always challenged to do more. There's still so much work to be done at each session of the Healing School, in terms of structures, equipment, teaching aids, resources, financing for different projects and rendering special support for the students. I am personally committed to ensuring that I keep giving to this great vision and worthy cause!

I'm using this platform to invite you to partner with the Healing School if you are not yet a partner. Join us and make your partnership seeds count in changing lives and bring healing to the nations, even as you experience a complete divine health package in your life, family and business. Take the bold step to join the mighty army that sponsors the vision of the man of God in bringing healing to the nations!

Pastor Biodun Lawal
CHRISTEMBASSY ACCRA, GHANA

Due to the impact of my partnership in my life, family, brethren, and most especially, at the Healing School, I'm always challenged to do more.

My PARTNERSHIP & Me

When I consider partnership, my heart is filled with joy. Partnership for me is very personal, and I have a deep sense of fulfillment whenever I give.

I am fully persuaded that the vision of our man of God is critical for all. As a result, there is a drive within me daily to do all that I can to make sure that what our man of God needs to do is catered for. The man of God is giving a message of hope to the sick, the diseased and the discouraged. Helplessness, lack of faith, despair are replaced with a message of divine health and a life of the miraculous; and I set my sights on ensuring this message gets to people and nations all around the world!

As I partner with the Healing School, I see myself as a very active life-giver. When Pastor Chris is conducting a healing service, I'm excited and I experience joy unspeakable! I celebrate every miracle like it's my own. I live a life of the miraculous because of my partnership. I do not lack financially; my children are also blessed in so many ways, with miracles happening in their lives.

As a pastor, when I lay hands on people I witness them receive their healing. I know this happens because of my commitment. I am enabled to partake of the grace that is upon our man of God, Pastor Chris. As I give towards the Healing School, my own faith is boosted; it grows. There's a boldness that has grown in me to do what man considers impossible because of the miracles that I have witnessed at the Healing School.

My desire is that my partnership as an individual will grow to such an extent that it will cater for all Healing School financial needs and all they would need to be concerned with is healing the sick whilst I take care of all needed.

This shall come to pass! I thank God for our man of God, Pastor Chris; for his vision, and for allowing God to use him mightily in people's lives and in my life.

HEALTH BENEFITS *of* HONEY

Honey is a sweet and viscous fluid produced by bees from the nectar of flowers and an elixir which promotes general health and well-being. It is comprised of proteins, fats, enzymes, amino acids, glucose, fructose and minerals like magnesium, potassium, calcium, sodium, chlorine, sulphur, iron, phosphate. It also contains vitamins B1, B2, C, B6, B5 and B3; as well as copper, iodine, and zinc in small quantities.

Additionally, it contains a host of antioxidants, which are used by the body to eliminate free radicals. It's therefore a good alternative to sugar in food and drink. Here are some of its health benefits:

? It provides energy. Honey is a source of natural unrefined sugars and carbohydrates, which does not need to be broken down by the digestive process; it is quickly absorbed into the bloodstream, providing an instant energy boost. Its free sugar molecules make the brain function better since the brain is the largest consumer of sugar, thus, reduces fatigue.

? Honey is a good source of antioxidants. It builds up the immune system; therefore, plays a big role in helping the body fight

infection. It also provides an important part of the energy needed by the body for blood formation and also helps in cleansing the blood.

? It has a low calorie level. When compared with the same amount of sugar, it gives 40% less calories to the body. Although it gives great energy to the body, it does not add weight to the body. It is a weight loss aid because it helps in the metabolism of fats.

? It is a natural antiseptic. Honey contains antimicrobial agents, which prevent infections by killing the bacteria in and around wounds. It has a disinfecting effect and is especially recommended for children, having a similar immunity boosting property as breast milk. It keeps fresh for a long time and is highly effective due to its sterilizing effect.

? It improves eye sight and is good for the skin and hair. When honey mixed with carrot juice is drunk regularly, it helps to improve the eyesight. It also supports the skin's ability to rejuvenate and refresh depleted skin, leaving it feeling silky soft and supple.

Go ahead and avail yourself of the many benefits of this amazing natural health food!

Faith's PROCLAMATIONS

of Healing & Health

God's Word is producing what it talks about in my life. There is nothing missing or lacking in me; I am filled with the fullness of God and there is no place for sickness and disease in my body.

I am a king and my words are full of power and authority; therefore, I decree health, peace, victory, success and prosperity into every area of my life. I take charge of every situation and declare that all things are working together for my good. I am not a victim but a victor.

God's Word is producing what it talks about in my life. There is nothing missing or lacking in me; I am filled with the fullness of God and there is no place for sickness and disease in my body. The Word of God is medicine to my flesh; therefore, no infirmity can thrive in my body.

I am the light of the world; there is no darkness in my life. Sickness is not a part of my life. I am made for signs and wonders, diseases and infirmities don't have a place in me. The Bible says that the Son of God was made manifest to destroy the works of the devil; therefore, I declare that I live in the finished works of Christ; the works of the devil are paralyzed in and around me!

The Bible says that the Lord Jesus bore my grief and carried my sorrow, He was wounded for my transgression and bruised for my iniquities, the chastisement of my peace was upon Him and by His stripes I am healed, so I remain healed; no infection or disease can fasten itself to my body.

I am a member of His body, His flesh and His bones; I am an heir of God and a joint heir with Christ. In Him I live, move and have my being; sin and death have no power over me. The Lord has given His angels charge over me, to keep me in all my ways; no evil shall befall me in the mighty Name of Jesus. Amen. ✨

FEEDBACK

My entire family and I have been partnering with the Healing School since 2008; and since then, we've been enjoying divine health! We are conscious of the fact that we can never be disadvantaged in life, because we are channels of blessings to those who have given up hopes of living again. Any time there's a miracle at the Healing School, we all rejoice and give praises to God. And whenever there's an attack in my family, we don't get panicked; we just relax knowing that we're givers of life!

I encourage everyone to partner today; that's because as a partner with the Healing School, you don't need any life assurance because it assures not only your life, but that of your entire generation. I love partnering with the Healing School, and it's so cool to be a partner. Just join us if you are not yet one, and enjoy the benefits!

When I started partnering with the Healing School, I began declaring the confessions in the Healing School magazine and sending them to many people around the world. As a result of this, I've have not experienced sickness nor have I had any symptoms of disease in my body! Thank you Pastor Chris, for the faith you have imparted in me through God's Word. Thank you also for making me a part of God's outstretched arm to the nations by giving me a platform to partner with the Healing School!

I live in Scotland, which is a nation in its own right, and a part of the United Kingdom of Scotland, England, Northern Ireland (Ulster) and Wales. There was a time when Scotland paved the way back to God and sent pioneering missionaries like David Livingstone and Mary Slessor to Africa; now, that situation is reversed. Praise God for Pastor Chris and his team of wonderful people who are now showing the way back to God, long lost in large measure to Scotland.

May God continue to bless you all in the continuation of the Healing School and your associated ministries as you strive to bring God's healing touch - spiritually and physically - to millions!
in large measure to Scotland.

PRAYER OF SALVATION

If you want to make Jesus Christ the Lord of your life, then say this prayer with all your heart and believe it:

O Lord God, I come to You in the Name of Jesus. I believe that Jesus Christ is Your Son. I believe that You raised Him from the dead and I confess with my mouth that Jesus Christ is the Lord of my life from today. I receive by faith, remission of sins for my soul, and right now, in the Name of Jesus Christ, I receive eternal life into my spirit. I declare with my mouth that I am born again!!!

If you've just given your life to Christ, please send an email to info@healing-school.org
